- All claims should be reported as soon as possible via an ACORD claim form in accordance with the policy conditions.
- Due to the limited time available to respond to a lawsuit, every effort should be made to provide a copy of the lawsuit within 24 hours of receipt by the insured.
- Any claim involving death or severe injuries (brain damage, paralysis, dismemberment, serious burns, amputations, and multiple fractures, permanent disabilities, or sexual molestation) must be reported as soon as you become aware of them.

Liability deductibles are important features of the insured's policy. Periodically, a billing invoice will be generated with supporting documentation for deductible amounts paid on behalf of the insured. Your assistance in ensuring prompt reimbursement for those deductible amounts is greatly appreciated.

We take claims seriously and consider communication the key to a successful relationship. Please feel free to contact your claim adjuster should you have any questions regarding this process or specific claims.
